Thread: [King Exploitation](#)

D1sinf3ct - May 9, 2020, 6:10 am

Hello, I'm tryna purchase an exploit builder from "King Exploitation" I need to verify if his tools are legit, said the builder exploits to pdf, xls, docx and txt; plus you wouldnt have to use a crypter to create stubs; that it is FUD and silent.

Can anyone done any transaction with him before? watch watching out so I wont get ripped.
Thanks.

Scapa075 - May 9, 2020, 11:38 am

King of exploitation is a bloody scammer NO one should do any transactions with him I repeat NO one should do any transaction with him
Very big ripper

The youtube guy? Haha not a chance, he is a bullshitter.
PM me and i can help with exploits.

osbriggs - June 7, 2020, 4:25 pm

@Ampere , can you really help with exploits?

Mohammed Issa - June 15, 2020, 1:35 am

you can try sentinel keylogger
