Thread: [\[LoL\] Giving away 3 NA and EUW Inactive lvl 30+ accs](#)

Quick Maths - May 9, 2020, 7:08 am

Giving away 6 league of legends accounts that are inactive for atleast 1 month from NA and EUW to L33t's and Ub3r's or trusted users.

Available :

NA : 0/3 left

EUW : 0/3 left

Accounts cannot have their email or password changed and are only used to play on for fun, and some may end up being inactive for a long time!
All accounts are level 30+ and are ranked ready.

I am going to be opening a shop here soon where I will be selling these accounts for extremely cheap prices that are even much more inactive and also ones where you can change the password and email to whatever you want. There will be great warranties and I know you guys will love it! I will be better than every LoL store out there.

Post bellow if you would like one, and have fun guys! ?

edit:

2 NA accounts left, enjoy your accounts guys! :)

edit 2:

All accounts given away, have fun with your accounts everyone!
