All proof will be sent to serious buyers only.
don't say it's bottled. it got famous off of 1 video.
willing to change bio or follow anyone of your choice
Don't send me bullshit.

Read the post bud, he's sending proof to serious buyers. Contact him if you want proof.

GLWS OP, would take this off your hands if I had the funds. I might even try finding some deals from sound producers and make a quick buck before you sell it.

How much do these usually go for? I have a good amount of followers as well on an account with many videos that went viral, just wondering whats out there, not looking to sell but how much were you thinking about selling yours?

GLWS regardless.
