Hello

You sent me \$1280 in btc with a \$0.50 fee. 18sat/b when the recommended fee was 111 sat.b

It was near midnight PST so I got off, as with the fee you sent it would take around 5-6 hours for the transaction to reach 1 confirmation. Didn't know u were going to accelerate the fee so I apologise

Anyways, I sent the payment around 7h ago so go check

LiveLaughLoveTorture - May 10, 2020, 1:56 pm

As of 1:56PM PST/4:56PM EST, I just checked my PayPal and I DO NOT see any funds from him. If this changes I will update.

UpdatE:

As of 3:30PM PST/6:30PM EST, I still do not see any funds from Sceptic on my PayPal - he is not responding on site to PMS, convos, or on his Discord

There needs to be stricter guidelines to be able to become vend3r. New members or sometimes just clueless ones see that userbar and automatically think they're trustworthy.

LiveLaughLoveTorture - May 11, 2020, 12:42 pm

I still do not have my money from him!!!!

3xploit - May 11, 2020, 1:31 pm

I made the same mistake once. It's unfortuante, but there's not much you can do about it. Take it as a lesson and use a middle man in the future.

Because staff do not get involved in deal disputes, septic is a scumbag and sooner or later he will be closed.

Maybe but only idiots will fail for his scam now. He has plenty of unresolved disputes.
