Thread: [Selling Exchangers Cartel Crew - \\$750 BTC](#)

When and if I can buy a group I will do so. Just need approval. Until that, I've decided to sell Exchangers. I will re-open Exchangers as a group when that is a possibility.

During the peaks of covid, I was on HF what felt like all day, now that I'm having to run my business again and I can barely even reply to a PM lately.
