Edge of Nowhere - May 11, 2020, 9:22 pm

I'll check it out, I was a big fan of the first one's growing up.

Didn't know this was going to be a thing, I'll be keeping an eye out for sure. Haven't played this game in years but loved the older ones

Charizard - May 12, 2020, 6:21 am

I will check this out and let you know. I grew up playing these games so it wouldn't be too bad to have a new one.

Oh dear God, they're still making Tony Hawk's Pro Skater games? I haven't played one of them since high school. Fun games though!

Louiz - May 12, 2020, 10:02 am

Cannot wait for this, literally my childhood.

Carbide69 - May 12, 2020, 11:02 am

They're releasing pro skater 1 and 2 which are remakes of the original games.

Those plus American Wasteland were really really fun IMO. Can't believe they all came out 15+ years ago.

I never played American wasteland unfortunately. And it's crazy to think about how long ago all those came out. I still remember doing the fly glitch in the original when I was a young kid

Skater XL will shit on any tony hawk games, tony hawk is too easy and unrealistic. People are looking for something more challenging and Skater XL does that, the controllers are hard to use and are realistic, along with gravity and physics of skating.

Tomb Raider - May 12, 2020, 11:51 am

I still have 1-4 on PS1 that I play from time to time

Synio - May 13, 2020, 4:37 am

Damn, I'm gonna play the sh*t out of this one! Cant FUCKING WAIT

A + - May 13, 2020, 9:29 pm

I played 1,2,3, and THUG but stopped there. 2 and 3 were my favorites. I heard they're releasing the first one with new graphics. To hear that old soundtrack again I would lose my mind.

positivesquad - May 19, 2020, 12:06 am

My hopes aren't that high hopefully it'll be solid

Laxoreax - May 19, 2020, 12:31 am

Hopefully 6 is the return of a great genre of games. Hopefully...

Redwall - May 19, 2020, 12:35 am

Skater XL is much better, this is good just for a nostalgic kick back.

Blazin - May 19, 2020, 12:56 am

Yeah, I played the first few ones growing up. Classics. I might check it out when it drops.

rapponchichi888 - May 19, 2020, 4:34 pm

Ill dabble. But not for full price. Watch them throw MTX in the game somewhere and ruin the nostalgia. BUT. that being said, still excited.

Goods - May 20, 2020, 12:26 pm

I saw this trailer and new this would bring nostalgia to alot of gamers. Personally when they release a new "Skate" game, Ill be satisfied.

Well TONY HAWK PRO SKATER 5 was a fail. And we're at the holyday season and there's no news about it. And I don't think we'd hear about it next year.
