Thread: [JAVA Driveby](#)

GoodFriend777 - May 12, 2020, 8:35 am

Hi All, I am looking for a java driveby methods, please pm
[contract=tid]Start Contract[/contract]

Marcel Adams - May 12, 2020, 9:35 am

Lol you are 7 years too late

GoodFriend777 - May 12, 2020, 9:37 am

Can you recommend a new methode? :)

VisualSoft - May 12, 2020, 11:55 am

this method dont work any more.

GoodFriend777 - May 12, 2020, 12:10 pm

What are the new methods??

Perileos - May 12, 2020, 12:46 pm

Java still very relevant but engineers have been upgraded

Ampere - May 12, 2020, 3:20 pm

OP, better looking for Office DDE's and crypting them.

VisualSoft - May 12, 2020, 3:58 pm

I think users now use macro exploit which is completely different from Java Drive
