Just trying to introduce myself out here to the graphics section. I used to be active here years ago in my teens. My account has since been junked due to inactivity but I hope to step back out here and offer great services and connect with all of you!

This includes old and new works, my old usernames were StayPlural, Cazzette, GoodHF.

Applied Works IRL

This one was a prototype we kinda liked

And here are random Sigs and other shit I did for HF back in the day! Enjoy:

I swear I've heard of Christian Guzman before. Not sure where, but I did get really into weight lifting and fitness for a minute. My mind might be playing tricks on me, but that's sick dude. Keep bangin em out.
