**eXceptional** - May 13, 2020, 9:48 pm

Always had me thinking about the lock screen and home screen wallpaper.

What application do you use to download wallpapers? Do you use any launcher?

I get my wallpapers from WallCraft

**Geass** - August 13, 2020, 11:57 am

I am using the default always, its same for me whatever i have

**.jpg.exe** - August 13, 2020, 1:17 pm

Still using the Default Apple lockscreen here

**Artisan** - August 13, 2020, 1:39 pm

The default one that came with my device. I dont change wallpapers on any device coz I dont think this holds any utility for me.

**PAXFun** - August 13, 2020, 2:21 pm

(May 13, 2020 09:48 PM)eXceptional Wrote: [\[CITE\]](#) Always had me thinking about the lock screen and home screen wallpaper.

What application do you use to download wallpapers? Do you use any launcher?

I get my wallpapers from WallCraft

Share yours xD

Randomly Huawei picture. Set by default.

**\$neaky** - August 13, 2020, 3:43 pm

I guess I'm a really boring person, currently using default iPhone wallpaper lol

**Method** - August 13, 2020, 3:50 pm

On my iPhone I just have a solid black background and always have had that on every mobile device. On my laptop I switch it up every now & then but usually just solid black. Don't see the point of anything else.

**Parker** - August 13, 2020, 4:19 pm

It's just a sky pic that I took hehe

**jecoylecroy** - August 13, 2020, 6:42 pm

I just use my built-in launcher in my android and I my wallpaper is nature views.

**SIM-1232764** - August 13, 2020, 7:20 pm

A picture of the beach I always go to.

**Malthemar** - August 13, 2020, 8:38 pm

I use the Microsoft Launcher,

My background is whatever Bing wants it to be.

As shite as Bing is, they have excellent photographers.

**eXceptional** - September 29, 2020, 3:32 pm

I bought a new OnePlus 8 Pro and have the default wallpaper for now.

I'll update if I change the walpaper. It's always good to know what others keep. I get good ideas.

**Doom** - September 29, 2020, 3:51 pm

I just use a plain black background for my iPhone.

**Mr. Corleone** - September 29, 2020, 4:47 pm

It is I believe the default Iphone background. That red thing.

**Disease** - September 29, 2020, 6:06 pm

I'm not going to upload it, but it's a photo of our cat. It was my son, but he changed it on me some time ago.

**Starks** - October 5, 2020, 2:03 am

Mine is a pic of a river bed filled with rocks with some hills in the background.

**vRWN** - October 5, 2020, 2:21 am

I like my background clean and calming.

This is my [background](#)

**Neon™** - October 5, 2020, 2:28 am

I currently have [this](#) one

**K1.** - October 5, 2020, 2:32 am

I have an iPhone to my customisation abilities are almost nill o.O

I have a pretty blue swirl thing as a wallpaper

**Jinu** - October 5, 2020, 3:11 am

Just the default one. Nothing special.

**Cammy** - October 5, 2020, 3:47 am

**V?rt** - October 5, 2020, 6:42 am

I just have pixel grass as my background. Keeping it super simple.

**Poet** - October 5, 2020, 7:27 am

I just got one of the default images that come with the phone nothing too fancy.

**Loathe** - October 5, 2020, 7:31 am

I use an astronaut in space (cartoonized) looks clean, doesn't obstruct apps, and is darker.

**Mr. Atlas** - October 5, 2020, 11:43 pm

I do not use any wallpaper I find the design created by the brand already very clean

I am using a samsung galaxy S20 and it is really very pretty

I tried to download themes and wallpapers but it's really too much .... Ugly?

**Rezon ®** - October 5, 2020, 11:44 pm

My kids, don't really need anything else. Gets changed when a get a newer one with memories.

**Isisshit24** - October 6, 2020, 2:32 am

A nice japanese anime picture of a city with buildings and stuff. Colorful and vibrant.

**Dule74** - October 7, 2020, 1:28 am

One of the default wallpapers for honor 9 lite

**fernquaker** - October 7, 2020, 1:45 am

My mobile wallpaper is a photo of me and my wife. I don't want to put it in here for privacy purposes. I don't want our photo to be used by random people on the internet. :)

**??e rando? d??c? g?y** - October 7, 2020, 1:49 am

(using this might brick your phone lol)

(Uncompressed image that has the power to actually crash your phone [https://drive\[WARNING POSSIBLY INFECTED\]google.com/file/d/11rxzYvPcIOh\\_8GvS4XSC3YtbW3CecE-O/view](https://drive.google.com/file/d/11rxzYvPcIOh_8GvS4XSC3YtbW3CecE-O/view))

**Meowth** - October 7, 2020, 1:50 am

Just whatever came with the phone. Wait, you can change it?

**Goku** - October 7, 2020, 2:28 am

Currently have this as background on home and lock screen

**Cooligan** - October 7, 2020, 2:55 am

I use a typical default phone background that came with my Galaxy S20 Ultra lol, I need to actually customize the thing finally.

Also, [eXceptional](#) , is that an interactive background? As in does it light up like that when you get a notification, or is it static?

**WHG-1.0** - October 7, 2020, 2:59 am

I made a collage of all my girlfriends (including ex and current girlfriends) and kept it as my wallpaper. I know this may be weird but I take this as a symbol of good time that I spent or spending with them.

**.eXe** - October 7, 2020, 6:35 am

Mines just the lineage default.

**Trev** - October 7, 2020, 9:04 am

My lock screen is my beautiful daughter and my home screen is my handsome son!

**Oziman** - October 8, 2020, 12:29 pm

Most of the time is this one:

Spoiler [\(Click to View\)](#)

Then sometimes I switch to this

**qpeckin** - October 8, 2020, 12:34 pm

I'm using this one actually

**soulm8** - March 29, 2021, 11:54 am

<https://ibb.co/RgTSkDH>

same one like on computers :)

**TB12** - March 29, 2021, 12:01 pm

My lock screen is my girlfriend and when I'm actually in my phone my background is Tom Brady

**RTKN** - March 29, 2021, 5:45 pm

Some random abstract wallpaper

**Juoku** - March 29, 2021, 11:21 pm

My current one is the default one, never bothered to switch it lol

Love this one. Simple, minimalistic and modest.

**Andrew** - March 30, 2021, 5:54 am

Mines just the default iPhone wallpaper

**device** - March 30, 2021, 11:18 am

Here's mine:

Spoiler [\(Click to View\)](#)

I love Hayao Miyazaki's work ?

**ghostboy** - March 30, 2021, 3:40 pm

this has been my most recent lock screen and I love it. You've seriously gotta check out midnight gospel
