Thread: [You ever won the 500 bytes in the Daily Check-In Thread?](#)

Net - May 15, 2020, 1:55 am

Literally never noticed you can with the extra 500 bytes in the Check-In Thread, shit.

Anyone here had any luck?

Vibe - May 15, 2020, 1:56 am

I won it once then gambles all the bytes away in mere seconds. Was awesome

De??oid - May 15, 2020, 1:58 am

I just won 27 bytes and gambled them never knew u can win 500 from daily check in

Moxxi - May 15, 2020, 2:02 am

I think ive won the 500 like twice or something

Exalted - May 15, 2020, 2:05 am

Sadly not. I think that it might have to do something with me checking-in pretty early.

Zero - May 15, 2020, 2:06 am

Twice. Before I hit 100 check ins

Nope. I've checked in every single day also.

My luck is shite

Luca - May 15, 2020, 2:11 am

I never got it even though I checked in well over 150 times ?

Smexy - May 15, 2020, 2:16 am

Never, I bet zero his poison is the reason why I never got it.

SIM-3587630 - May 15, 2020, 2:16 am

No but still I'd waste them on blackjack so yeah

Shrooms - May 15, 2020, 2:18 am

Didn't know this was a thing, that would be a nice bonus and gives me even more motivation to go for that award.

Is it one person a day or just random for every post?

Xen - May 15, 2020, 2:38 am

I've never won but would definitely welcome it! I always thought that it was 250 bytes but definitely wouldn't mind winning 500...

Cooligan - May 15, 2020, 2:48 am

I think I've won it a max of 3 times, probably 2, and definitely at least once because I remember at least once lol.

It's a hard prize to win honestly.

Toosii - May 15, 2020, 2:49 am

As of yet I haven't unfortunately, hopefully soon.

Exposed74 - May 15, 2020, 3:12 am

I never got that, but I know Stanley hates me now, so i think it's rigged

Mr.Nobody - May 15, 2020, 3:19 am

I think i won it once in my dream, that means no ;((

I admit that I did not manage to hit, I do not know what caused it, but I think there are better chances on the lottery??

Geass - May 15, 2020, 3:24 am

So far never and I posted over 130 times :(Didn't got award since 4-5 times forgot and reset

OLOY - May 15, 2020, 3:26 am

Never did, didn't even know it existed. Just posted for the first time in it ^^

MrJamesDean - May 15, 2020, 3:34 am

I did not know that this was a thing until I just read your post! Nice little bonus.

Xtreme™ - May 15, 2020, 3:36 am

I never received it yet and I don't feel I'm lucky enough to win them free bytes!
How many times have you won it OP?

We actually tried to force a golden egg once in this thread

<https://hackforums.net/showthread.php?tid=6070688&page=79>

with demize ash and the boys. And demize ended up getting one

(From another thread tho, LOL)

Bacardi Cola Lime - May 15, 2020, 7:39 am

Having a kirby avatar raises the chance of winning 500 bytes from the daily check in thread by 100% as opposed to having a dedede avatar. Same goes for blue eggs. Our supreme leader can confirm.

Hero - May 15, 2020, 8:03 am

Isnt it 250 bytes? And also no, i didnt so far.

Neon™ - May 15, 2020, 8:18 am

No I haven't, would be a nice surprise tho.

????????Michael Kors - May 15, 2020, 8:26 am

Yes. Twice. Pretty easy if you ask me.

Yin Yang - May 15, 2020, 8:27 am

I think I maybe won it like 3x, but haven't won it lately.

There are some people who post like 6+ on it too, so I'm sure their odds are much better.

webdev77 - May 15, 2020, 8:28 am

Nope. My luck is non-existent for HF games of chance. My record of more than 60 fails in a row on the 9% small hack job in the Hack Game about sums it up.

Rsynced - May 15, 2020, 8:31 am

No, also do they do bonus bytes anymore?

B?????araka - May 15, 2020, 9:47 am

Nope never but then again I've only posted in there 3 times lol. Hope I get lucky someday and hit it.

Obistone - May 15, 2020, 9:50 am

Nope. Then again, I've only actually posted on the check-in thread 3 or 4 times.

A + - May 15, 2020, 10:10 am

I did once a good while back. I completely forgot that it was still a feature. Maybe Stanely will be smiling on me again one day.

ven0m - May 15, 2020, 10:13 am

Good to see so many people won the 500 bytes.

Who Soup - May 15, 2020, 10:19 am

nope, I didn't even know you could win 500 extra from the daily check in

1337GAMER - May 15, 2020, 10:20 am

I haven't won, but it would be nice to :)

humanbody - May 15, 2020, 11:36 am

I saw a couple of people winning. However I am still not lucky.

BTB™ - May 15, 2020, 11:38 am

Yup, twice mate.

Cheers.

B?????araka - May 15, 2020, 11:56 am

Does the 500 byte winner get decided at the end of the day? Or is it just random could be the first to post to get it?

Mula-B - May 15, 2020, 12:03 pm

Honestly, dont know. Do you get a notification? If yes, then no i've never won.

Edmo. - May 15, 2020, 12:10 pm

Nope. But 25 bytes daily is enough for me. 500 more would mean 500 more to play at slots.

People seem to have won or twice. I never had much luck really with them. I'm just happy to win the 25 bytes from daily checkin and hopefully the Ninja Award. Currently at 51/100 check-ins. If I get lucky, might win 500 bytes once from the check-in.

vyactor - May 15, 2020, 7:54 pm

I never had been that lucky to win that 500 Bytes.

Bruce Banner - May 15, 2020, 9:21 pm
