GTA 5 or Grand Theft Auto 5 is one of the best selling games of all time. It is also quite popular among all age groups despite being strictly for players aged above 18 years. Grand Theft Auto franchise has been around for decades now and GTA 5 itself has aged 7 years.

please find below method.

Head over to the [GTA 5 page on Epic Games website](#)

Tap on the 'Get' option

Sign in with your Epic Games account or create one if you do not have one already

It will now prompt you to enable Two Factor Authentication, which you should do in order to get the game for free.

Now, tap on Place Order to successfully add the game to your library

Download and Instal the Epic Games Launcher from their website

Sign in with the same account

Head over to the 'Library' and tap on install right below the GTA 5 label

Select the path where you want the game to install

Enjoy ?

offer is available till 21 May 2020.
