Thread: [SMM Panel Exposes 10 Million Subscriber channel \(KSI's Brother\) for buying subs!](#)

flavoral - May 17, 2020, 5:59 pm

in a weird turn of events. An SMM Panel posted a video exposing a 10 Million Subscribers channel, ComedyShortsGamers (aka Deji) (aka KSI brother) for buying subs and then charging back.

Lindros - May 17, 2020, 6:04 pm

LMFAO. This is hilarious. Fool got exposed.

[flavoral](#) I believe this guy is simply lying here. I trust the first video you posted. This happens all the time with all the panel owners. I'm really happy that someone came up with something like this.

Right? That snake probably would have charged back either way. That is why you don't take big payments in gaypal kids.

James Burnham - May 17, 2020, 9:27 pm

There are a few seoclerks sellers that sell youtube services which they buy with stolen credit cards. They buy from panels and then once the real owner of the card files a dispute, the smm panel owner thinks the buyer is the one filing the dispute. There are actually 4 parties involved in this. The SMM panel owner, the SMM carder, the buyer and the victim. It's messy.

Sucxex - May 17, 2020, 10:05 pm

Bacardi Cola Lime - May 18, 2020, 1:20 am

It was pretty obvious to be honest but now there's proof. He's fucked. He didn't upload or got any video with high views. His sub count though was getting higher and higher by sums of subscribers each time.

Sub count dont matter if you aint pullin in that view count and money. I'd rather have +1mil views on my video and 1k subs than vice versa.
