I am selling my signature space so you can advertise your product there. Why don't you understand it brother?

(I am not being sarcastic, I genuinely want to know if I did something wrong and it seems confusing)

SecretAchiever101 - May 20, 2020, 11:13 am

Price dropped to 25\$ per month.

Toosii - May 20, 2020, 11:18 am

It's a good price, best of luck with sales.

SecretAchiever101 - May 20, 2020, 3:30 pm

Thank you very much brother. Appreciate it

Hern - May 21, 2020, 7:26 am

Good luck with sales. If I had a product to sell atm I would probably jump on that.

Simplex - May 21, 2020, 7:27 am

Pretty good sig, hope someone picks this up.

SecretAchiever101 - May 22, 2020, 8:43 am

Thank you guys! I really appreciate the kind words.

I don't have anything to put in my signature atm so I figured I would much rather sell it

I already have some offers. However I consider the price to be low already so I won't drop it lower. If you take into consideration my activity and my marketplace reputation, it's a good offer.

Any limitations about what you put in your sig or rep the user who rents it must have?

As long as the selling product abides by Hackforums rules I am totally fine with that

You are renting your sig space at a very low price...

\$25 a month? This actually should be a weekly price in my opinion.

Anyway, Good Luck - I hope you get your client soon enough.

Thank you brother! Appreciate it! Yup, I know, it is low indeed!

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
