Thread: [\[CONTEST ENDS TOMORROW\] ~~~ \\$10 USD BTC Contest ~~~ \[OPEN FOR EVERYONE\]](#)

LoremIpsum - May 18, 2020, 3:15 pm

Welcome to the \$10 USD BTC Contest!

As some of you might have [read here](#), I won some BTC at the Casino and made a poll about hosting a Contest.

I asked what would be preferred as prize to win at the Contest that I was hosting soon, which is today. And \$10 USD BTC won!

How do you enter this Contest? [Step 1] Leave a positive popularity rate on my profile! Done that already or are you non-upgraded? Send 25 bytes to enter.

[Step 2] Post here that you've left a positive rate or sent the bytes and include 1 thing you are grateful for. Anything.

[Step 3] Wait for the Contest end-date and check this thread to see if you have won and/or check your Inbox for my PM!

Information & Rules about this Contest Prize is \$10 USD BTC.

Contest ends May 25, 2020 - 1 week from now!

Anyone can enter this contest, make sure you read "How do you enter?".

You can only enter this contest once. Please do not post multiple times to keep this Contest thread clean.

Staff will draw a random winner by using Random.org and a number between 2 (first post after this thread) and the last number of this thread's post at the end date of this Contest.

If you don't leave a positive rating on my profile or send 25 bytes and still try to enter, I'll automatically disqualify you without further notice and you will not be able to enter again.

I will ask for the winner's BTC address by PM, please do not post any addresses in this thread.

Thank you all for reading and participating. I wish you all good luck.

Please enjoy this Contest and may the luckiest member, win!

Stanley - May 24, 2020, 7:12 am

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small byte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
