Are you sick of getting beamed by sweats who sit on UKN all day? Do you not have the time to memorize the AK like the back of your hand? Well worry no more! With this cheap, private script you can become the sweat without the effort!

Our script features

- Any sensitivity
- Any resolution
- Any mouse
- Any DPI
- Any aspect ratio (16:9, 4:3, etc)
- 90 FOV

Prices are

Lifetime - \$29.99

Month - \$19.99

Week - \$9.99

We accept Bitcoin, PayPal, and CashApp.

The script is undetected by EAC, so why not give it a try, even if it's only for a week!

Hello new user,

Do you have a website? Fix you're spelling it's unprofessional and makes it look like you're here to scam us.

For how long have you been using this script without getting banned?

Chiffon - May 20, 2020, 8:35 pm

Maybe make a video ? Because no proof here ...
