Jerry Smith - May 20, 2020, 6:58 pm

What do you guys think is the best tasting liquor? I would have to say Svedka or something like that.

Demize - May 20, 2020, 7:05 pm

I really enjoy captain and dr pepper

What??? You literally picked a flavorless spirit.

I'd have to pick some variety of small batch whiskey. WhistlePig 10 year Rye is pretty tasty.

WRX - May 20, 2020, 7:16 pm

I love crown vanilla, I'll usually drink that straight or with light ice.

Yoko_ - May 20, 2020, 7:19 pm

I'm alcoholic only with vodka and i dont like the taste or anything, also take a swig of soda after every shot so yea hmm as far as taste, well i don't like rly any of it

hfrocket1713 - May 20, 2020, 8:05 pm

absolute vodka is where it's at. drink it straight and drink a sprite with it after is all u need

Wine - May 20, 2020, 8:48 pm

I'd have to say gin. Lime flavored

Goods - May 20, 2020, 9:11 pm

Everyone drinks fireball where im from. So, I guess that?lol

gurlhackerclub - May 20, 2020, 9:28 pm

Just lately. I like Patron, Tequila

Simplex - May 20, 2020, 9:30 pm

Best tasting would be for me is sex on the beach. However, I just drink vodka usually because I'm just trying to get drunk fast.

A + - May 20, 2020, 9:58 pm

Patron isn't bad. Believe it or not, there is a brand of cheap vodka (probably dries out your liver real

quick) called Burnettes. It's weird, if you pretend it tastes like vanilla, you can kind of taste it. Idk maybe I'm just used to it.

Driz - May 20, 2020, 9:59 pm

Just reading these recommendations cuz my 3rd world country ass can't wrap my head around costly liquor.

That being said, ya'll ever tried 3rd world local brews? Man that shite will hit like a tank.

KinGxKeV - May 20, 2020, 10:27 pm

Black Absinthe is by far my favorite

Accord - May 20, 2020, 10:30 pm

Havent taste any liquor aside from when my mom mix some red wine to our food, i can smell aroma but didnt taste any alcohol.

Minnesota Nice - May 20, 2020, 10:48 pm

Grizzly - May 21, 2020, 1:12 am

fireball is actually kind of good imo

Bacardi Cola Lime - May 21, 2020, 2:09 am

I like Scotch Single Malts and Rye whiskey. My favorite Scotch is Macallan 12. As for Rye, Albert Michler has to be the one.

L0RE - May 21, 2020, 2:51 am

Grey goose or Malibu. Malibu legit tastes like juice so i forget how much im drinking and it gets me fucked for when I go clubbing with friends

Xen - May 21, 2020, 2:59 am

I love Hibiki and other Suntory branded Whiskey, I have a few bottles at home and it's bliss.

Other than that, Ameretto and Coke is pretty good as a mixer.

Laxoreax - May 21, 2020, 3:07 am

Been drinking Bulleit bourbon whisky lately, depending on how I feel i'll go for the reg or rye. Usually mix in dr pepper or make old fashions.

pokejaye12 - May 21, 2020, 3:07 am

Absolute Vodka (Lemon grass and ginger flavor)

Cooligan - May 21, 2020, 3:31 am

My personal opinion would be rum solely because if it's a good rum you can down that shit like it's water.

If I'm just sipping on it at a dinner or meeting or a sit-down of some sort, I'll typically have whiskey as long as it's good whiskey.

shirogane - May 21, 2020, 3:42 am

I found a fantastic blackberry whiskey once, never found it again. Otherwise I stick to vodka with cranberry juice, which is a great combo.

I love my Jack Daniels on the rocks or straight..... I love it so so much. I will marry this whisky if it was a woman LOL

hash - May 21, 2020, 5:46 am

I only like beer wine and female mix drinks. The smell of whisky gives me a hangover already.

Same, I don't care about the taste, I just want the effect that alcohol gives and vodka gets you there fast.

B?????araka - May 22, 2020, 4:54 pm

None in my opinion. I'm a weenie I have to chase.

grady - May 22, 2020, 4:57 pm

Vibe - May 22, 2020, 4:57 pm

InternetProxy - May 23, 2020, 5:25 am

Prawnster - May 23, 2020, 6:01 am

are u like a teenager or someone who doesn't really drink often? yea vodka has no "distinct" taste too it but there is a HUGE difference in cheap vodka and expensive vodka. From the way it's distilled, how smooth it goes down, etc. And if u can't see that then u probably a little kid who shouldn't waste time on a thread like this.
