It truly just takes your time, its as close to a 100% guarantee as you can possibly get.

The initial investment you need is literally it, after your set and once everything is processed its 100% free money, I dont ever review stuff on HF because most of the time the method or ebook isnt worth the money. This is worth it and could be sold for 999\$ in my opinion.

It's straight cash if you follow his method and guide ?

The discord group is also a nice little touch with other members who want to make money during this pandemic and everyone's helpful ?

I've made about \$700 in a span of a week with little to no effort with about 3 hrs of work.

It does take a couple of weeks for it to hit, but I'm running it across multiple accounts so I've already

made my \$3k in a month.

I was lucky enough to be given a vouch copy. Here is my honest review after setting up the method and recieving my first cashout.

Tesla added me on discord and instantly started helping me set up the method. He took the time to answer my questions and was very kind and patient. I had a few questions to ask and he helped me understand everything I needed to do to get things started.

METHOD

9/10

The method is something that I have honestly never seen before. Keep in mind that this isn't a get rich quick method. You will need to put time and effort into this method to profit. That being said, you are %100 going to make money if you do this method. In fact, the method is extreamly HQ and I am supprised that its being sold at this price. Honestly you can make the cost back with just a few hours of work. I've seen methods like this sell for \$1000 on HF before.

SUPPORT

10/10

Like I said previously, Tesla was super nice and helpful. He answered all my questions and I have honestly enjoyed getting to know him. He is a very nice guy and I am %100 sure you will have 0 issues dealing with him. He is a man of his word and that is somthing that is hard to come by. 10/10 for sure.

OVERALL SATISFACTION

9/10

This is a HQ method. You will not find methods like this on HF often. This is a fully working method that WILL make you money %100. If you have money laying around and want to use it to make some cash I would HIGHLY recommend using this method. It is just plain good. Below is a screenshot of a cashout I made 2 days ago. I cannot show all the details as it could giveaway the method but If needed I can show more proof of earnings easily.

OGxTrueskill - May 27, 2020, 11:29 pm

I'm pretty skeptical about this. Your thread looks very familiar to Bananas old thread, now Instagrams thread. Your friend Kyorako actually has Instagrams method that he's selling. I've seen him vouch his earnings on that thread. Your thread and IGs thread requirements are the same, the payout time is the same, the payouts are the same, and both have the ability to use their friends/family to scale. The two methods you are claiming to have are most likely very very similar to each other. Just a slight change. I could be wrong with all of this and if I am, then I'm truly sorry for making a scene. Just seems way too coincidental.

JoeyEcom - May 31, 2020, 1:48 pm

I would like to give an honest review of this

I bought the method and I actually told Tesla I think he's selling it under priced.

there is 100% some work involved in this but a 2nd grader could do it, its not really a skill its more

just time consuming.

It is as close to a guaranteed return on investment as anything you will buy on HF.

I have never spoken to Tesla before and this is 100% my opinion on this method.

You also get mentorship and added to their discord however its not really needed since this method is VERY straight forward.

I see this being available for a while (atleast a year) I can not share any of my profits or returns for atleast 4 weeks as this method takes about 3-4 weeks to start rolling but after that if your consistent it will be weekly pay. Im glad I was able to get this for 299\$ as I would have payed 500\$ for this happily.

I've been busting my ass lately with adult CPA, dropshipping, and even done some eWhoring, but nothing is as easy as this method ?

It's straight cash if you follow his method and guide ?

The discord group is also a nice little touch with other members who want to make money during this pandemic and everyone's helpful ?

I've made about \$700 in a span of a week with little to no effort with about 3 hrs of "work" ?

It does take a couple of weeks for it to hit, but I'm running it across multiple accounts so I've already made my \$3k in a month ?

Spoiler ([Click to View](#))

I HIGHLY vouch for this method, if any potential customers got any questions, feel free to shoot me a PM/convo.

I haven't seen a method that's whitehat that doesn't consist of arbitrage trading and flipping GC's on Paxful.

Most methods, if not all require a shit ton of investment: generating traffic, ads, leads, and etc.

The first method I have ever purchased from HF, and it's incredible. You are guaranteed to make money with this. Even a child could do it. Tesla and his partner are good people and are always there to help. I'm expecting some big payouts. I will post proof after I'm paid.

Reviews & Testemonials

(Jun 19, 2020 11:36 PM)SUBJERCT Wrote: [\[CITE\]](#) VOUCH REVIEW

I was lucky enough to be given a vouch copy. Here is my honest review after setting up the method and recieving my first cashout.

Tesla added me on discord and instantly started helping me set up the method. He took the time to answer my questions and was very kind and patient. I had a few questions to ask and he helped me understand everything I needed to do to get things started.

METHOD

9/10

The method is something that I have honestly never seen before. Keep in mind that this isn't a get rich quick method. You will need to put time and effort into this method to profit. That being said, you are %100 going to make money if you do this method. In fact, the method is extreamly HQ and I am supprised that its being sold at this price. Honestly you can make the cost back with just a few hours of work. I've seen methods like this sell for \$1000 on HF before.

SUPPORT

10/10

Like I said previously, Tesla was super nice and helpful. He answered all my questions and I have honestly enjoyed getting to know him. He is a very nice guy and I am %100 sure you will have 0 issues dealing with him. He is a man of his word and that is somthing that is hard to come by. 10/10 for sure.

OVERALL SATISFACTION

9/10

This is a HQ method. You will not find methods like this on HF often. This is a fully working method

that WILL make you money %100. If you have money laying around and want to use it to make some cash I would HIGHLY recommend using this method. It is just plain good. Below is a screenshot of a cashout I made 2 days ago. I cannot show all the details as it could giveaway the method but If needed I can show more proof of earnings easily.

Proof:

(Jun 30, 2020 11:15 AM)JoeyEcom Wrote: [\[CITE\]](#) Anybody who is skeptical about this method , I vouch for it 100%.

I was a little skeptical also because it took about 3-4 weeks for the method to kick in which made me wonder "is it worth it"

once I saw it happen I was literally thinking to myself this was WAY to easy lol.

It truly just takes your time, its as close to a 100% guarantee as you can possibly get.

The initial investment you need is literally it, after your set and once everything is processed its 100% free money, I dont ever review stuff on HF because most of the time the method or ebook isnt worth the money. This is worth it and could be sold for 999\$ in my opinion.

No CAP this method is FIRE

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.
