The thing is maintenance cost of the egg will be too high. You need golden eggs to power up Golden HUM, which is very very rare.

LoremIpsum - May 24, 2020, 6:55 am

You won the egg and are putting it up for Lottery again?

Nice business move haha. Bought for 2500 bytes last time, won't do the same again. Will participate though!

I will surely play for the "Golden egg" hope will have some sort of golden egg powers like in the movies. LOL

You can count on it. Gold Eggs deal a lot of damage, have good endurance and recovery is insanely fast as well.

Haha! Thanks. It was lucky to get the egg. The price is a bit lower on this one. Feel free to try your luck.
