I'll choose 2 random numbers from the posts here when I close the giveaway thread. You may only post once.

Requirements :

HF L33T/UB3R to be eligible.

1 post here, post number will be used to judge the winners.

I will announce the winner(s) on Saturday.

Winners of the lot will get a free GTA 5 EGS Account with a Rank/RP/Level/Unlocks of their choice with email and password access.

Any reputation points or the likes is appreciated but not at all necessary. Leave a reply to this post to be eligible.

Was there a winner to this? I know you were limited yesterday so couldn't announce a winner.

Isn't enough entries. I'll run it through random.org and choose 2 people now, don't worry.
