That's insane for both statements I do \$600+ deals I have more B and more transactions = more fees for me on bitcoin which means I'd pay more than what you're sending fees being the way they are plus I'm a v3ndor \$100 account upgrade. But it's your money I just am not doing either of what you said.

Grim - May 24, 2020, 11:31 pm

I can do this in multiple transactions for you at your rate. Let me know

You most likely will not get this done with the attitude you have, there are plenty of us which have done transactions greater then 280.00. Good luck

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
