I have cheapest AWS RDP s for sale.

Prices are as below and all prices are for one month only

4GB - 100GBHDD - \$5 per month
8GB - 200GBHDD - \$8 per month
16GB - 300GBHDD - \$12 per month
32GB - 400GBHDD - \$18 per month

2 vouch copies in half prices. First come first serve basis

I will send RDP first to reputable members or administrator to build trust.. I will give 4GB RDP first to anyone who wants it. RDP first then pay me ok?

Escrow also accepted by Hack Forums members

Payment via Bitcoin only for now.
