Thread: [Uber Eats Coupons! Up to 60% OFF! SAVE MONEY TODAY!](#)

ShopifyExpert - May 27, 2020, 2:36 pm

Hello everyone, for a limited time, I'm offering \$20 discount codes that can be used immediately and are applicable for use on the Uber Eats application.

Security & Safety

These discounts are obtained using a method that is 100% white-hat and will absolutely NOT cause any negative effects to your account. I've successfully ordered over \$2,000+ in food in the past 4 months.

How it works

- You pay me for however many coupons you'd like (see price list below).
- Once you've paid, send me a message with your referral code
- Please allow up to 4-6 hours for delivery of coupons.
- Once discounts are delivered to your account, you will be able to enjoy great food at a fraction of the price.

Prices

- 1x (20\$ Off Discount Coupon) - \$12
- 2x (20\$ Off Discount Coupon) - \$18
- 5x (20\$ Off Discount Coupon) - \$40
- 7x (20\$ Off Discount Coupon) - \$60
- 10x (20\$ Off Discount Coupon) - \$80

Discount Coupon Validity / Expiration

You have 3 Months to use them from the day of receiving.

Frequently Asked Questions

What payment do you accept?

Currently, I accept Cashapp , BTC, and Venmo only.

How long does it take for my order to be completed?

4-6 hours usually to fully process your order.

Please start a contract to place your order.

This is somewhat of an exploit for the referral code system, if you tried getting referral promo codes as of the past 2-3 months you'd see/know how difficult it is to do... however, our method bypasses those limitations, allowing up to 50 discounts on account if you'd like.

As far as if it is worldwide or not, if you can use Uber eats in your region/country, then this will work for you.
