yep, you didn't use the one thing that can protect/help you :)

Sorry man but there's strict rules to use the contract system. try to deal on site more to avoid getting scammed.

A + - May 27, 2020, 6:16 pm

Yeah brother. You can't give anyone the benefit of the doubt. Always use a contract.

Squanchy - May 27, 2020, 6:17 pm

Contracts are required for any and all deals on HF. End of story. If you didn't use one then you deserve to get scammed.

but its easier to stop that person from scamming again. All you have to show are discord chats that can be faked.
