n0\$f3ratu\$ - May 28, 2020, 8:18 am

I am amazed how many stupid peoples are out there.
One yesterday / one today!

the question is simple.

because I don't know how to pay. Have I never used bitcoin or perfect money?
How should I pay?

Dude either you are stupid as fuck or you just playin us!

You opened a FAKE dispute against a vendor (seller).

A dispute should be open only when the user (YOU) bought something from me and I didn't deliver.
Go back to the contract and close the damn dispute.
