I'm a bit confused on this recruitment. Is it a \$50 buy-in once accepted or are there two options? (Buy-in or Apply)

That makes two of us. I have no idea what this thread is for, Gamblers has always and will always be a lifetime buyin group.

that is intentional sir.

I want to know what you think about Masterminds, the group.

Rally the Bulls - May 29, 2020, 7:16 pm

Name: Mike

Age: 25

Skills: Stock market investor, integrated circuits techie, dropshipper, budding digital design/graphic artist. I've been branching into the entrepreneurial space the past few months.

Why do you want to join the group?: I like to gamble, I like every user I've seen in your group, collaboration with like-minded individuals, sick usernames and userbar. I have missed like all of your tournaments this month, but intend to join in for Sunday's. :)

What do you think about Masterminds: I try to avoid the group drama where possible. NGL, I like the userbar but the font color is terrible for mobile at least. Don't really like or dislike Dorrance, as I hardly know him.

What can you bring to the table?: Fundamental analysis, IC information, money for some gambling, giveaways (one is ongoing for another hour, join up), decent conversations and 9 inches of flaccid, woman destroying penor.

How many hours a day are you online: Between 3 and 6, often more on the weekends.

How good do you think your grammar is on a scale from 1 to 10 (Where 1 is the lowest, and 10 is the highest)?: 8.7

If accepted into the group, will you be active in the sub forum: For sure.

Been interested for some time now. LMK Lavish. :)
