Hi there,

I would me more than happy to do this for you, I cannot say I am a professional in the bitcoin field but I know a fair bit about it.

A minimum of 10 high quality posts a day is an easy task, I spend the vast majority of the day in front of my laptop doing various things so time is not an issue and I am a little short on money lately. The fact you provide the account and sections to post in just makes it a lot easier.

Anyway if you have not found anyone reliable yet then drop me a message and we can talk.

Thanks.

TheStraa - June 4, 2020, 4:20 am

Hey Sir,

I could do this service for you. I don't have bitcointalk account. But I do have some knowledge about Cryptocurrency and I own some so wouldn't be a problem for me to do 10-20 HQ posts for you daily. I'm up for any deal, hit me up with details and I will be happy to deal with you. Lately I'm also spending like 12 hours in front of my pc so that's also not going to be a problem. :)

Masterg2 - June 5, 2020, 6:59 am

I am able to make 20 high quality post in a day...Send details please.
