Just spent \$40 getting a fax... Wish I would have seen this. Will use in future if I ever need to again.

Vouch for Nuts. Purchased a Carfax report and it was instantly received. Greatly appreciate the seamless transaction.

I vouch for Nuts with my word. I bought multiple car fax reports in the past week and everything looks great - definitely helps me with looking for the right used car and I receive them instantly!

looking to purchase, do I just start a contract?

Djhackstyle - February 20, 2021, 9:05 am

I'm looking for a monthly unlimited supply for a fixed price. Let me know if this is something you can provide. Can pay in any currency need to be able to run reports all month

At this time I don't offer unlimited. You can buy a lot. We sell to our customers 400-600 per month. With our full panel they love it. Get the carfax they need on the spot.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
