if they are MONETIZED, How can i change it on my Name?

flavoral - May 30, 2020, 5:40 am

Started a convo with you <https://hackforums.net/convo.php?id=96704>

can you send me links to the channels to check them out

so we need to get adsence account separately?

in case we dont have, how to sign up there based on the channel we bought.

You create your own adsense account, and link it to your youtube channels.

Yeah just create an account, then when you have a youtube channel with monetization enabled, you can link it from your YouTube dashboard to your adsense account.

On the note of OP however, i'm still waiting for OP to send me proof that it's monetized and legit cuz the channel he sent me looks sub bottled.
