Thread: [Bumble Verification - Take your e-whoring to the next level](#)

TheMissingPort - May 31, 2020, 1:04 pm

Hello all

I am offering a service where I can get your bumble verified

****Requirements****

Please provide the following: Name and age you want for the account

3-6 pics you want to go on the Bumble account

A few normal selfies I can work with *No pics with filters/snap filters

I will create the account and get it verified. \$200

No payment required until after I finish and provide proof first

After you have verified account: Be cautious with deleting/adding new pics as it could trigger a re-verify. Please choose pics you know you want on the account

[contract=tid]Start Contract[/contract]
