Thread: [\[May 2020\]\[VOUCHED\]\[WHITEHAT\] EASY INCOME - Earn \\$100/Week! \[\\$5 USD\]](#)

DubIA - May 31, 2020, 5:37 pm

Previous Selling Thread (with all details and reviews/vouches):

<https://hackforums.net/showthread.php?tid=6072820>

Making a new thread to reflect the reduced price (and I ran out of edits on the original thread). If you haven't seen my old thread, the quick and dirty is, this is basically the best value on HF. Check the thread.

For \$5 USD, I am selling multiple methods (some public & working, and some which are completely unique and my own) which, with minimal effort, will provide you with the potential to make an easy extra \$100 a week. Many on here are selling some of my methods for 5x or 10x the price (check the reviews/vouches on my other thread).

If this is your first time on the Sellers Section, it is in your best interest to get my method, and learn the methods so at least if you approach some of the more expensive sellers, you can ask them if the methods that they are selling are the same as mine, which will save you a lot of money. This is literally the best value on HF.

My methods won't make you rich or replace your job, but for minimal effort, will provide you with an easy secondary income stream which we can all use during this time.

Check out all the details on my other thread and hit me up via PM with any questions!

-Thanks

Hi, does your method have anything to do with testing websites/software?

Extra - June 8, 2020, 9:38 am

I am interested, how do I purchase ?

Rally the Bulls - June 8, 2020, 9:51 am

OP, do you offer refunds if the cost of purchase isn't earned back?

I'm interested in this, and if it's as legitimate as you seem to say it is, I don't see a reason for you

not to offer this.

LMK.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
