This could really help you in verifying your Instagram.
Price depends on the domain.

Range: \$100-\$700

Vouch copies Given

(Jun 6, 2020 09:58 AM)flavoral Wrote: [\[CITE\]](#) [Simple Vouch Copy, so no fancy GFX format]

OP provided me with a vouch copy of a Domain Name as mentioned in the sales thread.

The domain given was mentioned in a Forbes article as promised.

My guess this will be really useful for people trying to build a Brand related to the Forbes article and domain niche.

You can verify the backlink too via <https://ahrefs.com/>

(Jun 3, 2020 03:41 PM)XXX Wrote: [\[CITE\]](#) I received a vouch copy from OP.

Everything went smooth and domain is just as advertised.

I had the domain under my control within minutes.

The domain is mentioned in a post on Forbes and Forbes shows up on ahrefs as a backlink.

Currently in stock: ([Click to View](#))

- 1) Domain with a link on Forbes (real estate)
- 2) Domain with a link on Forbes (real estate)
- 3) Domain with a link on Forbes (real estate) (SOLD)
- 4) Domain with a link on Forbes (real estate)
- 5) Domain with a link on Forbes (Personal Bio)
- 6) Domain with a link on Forbes + Digital journal (Health)
- 7) Domain with a link on Forbes (Business)
- 8) Domain with a link on Forbes (Comic)
- 9) Domain with a link on Forbes (Health)
- 10) Domain with a link on Forbes (App startup)
- 11) Domain that can work as a shopify store, linked in forbes, very generic keyword (fashion niche)
- 12) Social media agency linked on Forbes + Medium
- 13) Crypto website linked on Forbes (Expensive!)
- 14) Coaching Niche website listed on Forbes, Medium, Entrepreneur, Advisor (Expensive!)

Why is this so valuable?

Because you can have "As seen on Forbes" on your dropshipping store

once these domains are gone.. they r gone
there is no way to get more of them

I dont take responsibility on how you use it or what you do with it.

Domains wont be revealed without payment.

you need posts on forbes, inc etc... to get verified on instagram.
it adds so much authority, and if you are lucky you can get a forbes mention for \$1.5k or a full feature for \$5,000

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Am I right in thinking that you have gone through articles looking for links that are broken and you then register these URLs and they're what you're selling?

Are these do-follow or no-follow links?
I never said it will get you verified, i say it will really help u.

No this isnt my method

Looking to answer customer questions not anyone want to post on my thread
