Reopened 5th June 2020.

You will get one MVP. Very efficient boosting.
Cannot post images. 16:0 wins with one MVP.
Possibly can do a vouch copy if interest is big.

We are boosting csgo wins (possibly ranks). We only sell wins, no rank prices, you should know how many wins would get you to your desired rank. 16 : 0 elo wins.

Is it possible to get banned ?

Not really, you are doing nothing wrong at all. We are doing this for long time, but we had a stop for almost an year.

Do I need to give you login info or something ?
