Thread: [Need help with easy C# task in Visual Studio](#)

Raymond "Red" Reddington - June 5, 2020, 3:48 am

This should be a piece of cake for anyone who knows how to work with Visual Studio.
It's just that I don't have experience with C#.

If you can do this, give me your Skype, Telegram or Discord.

Need this done pronto.

VisualSoft - June 5, 2020, 4:21 am

what is it, give some basic info like its C# desktop APP or C# web app
I am good with it and might be able to Fix if its Desktop APP.
