Thread: [Do you feel like you are attractive?](#)

Aklimczak522 - June 5, 2020, 9:24 pm

I personally think I am just average. You?

Accord - June 5, 2020, 9:26 pm

I dont think im attractive and i dont know how to properly dress

I don't want to carry on my own chair but I guess I am attractive :)

But much better if someone else will tell it to you not only because of your appearance but because of your attitude as well ???

Megatron - June 5, 2020, 9:33 pm

I think I am, because that's what I've always heard. The one thing is, I'm over the age of 20, yet I appear like I could be anywhere from 17-22 years old because of my face alone. Hopefully my youthful appearance will serve me better later in life.

Demoralise - June 5, 2020, 11:43 pm

I am somewhere in the middle. If I was fit I could honestly see myself being in the attractive pool

AV1 - June 5, 2020, 11:44 pm

I feel like I'm average and touching the ugly part a bit, I guess...

KinGxKeV - June 5, 2020, 11:51 pm

I'm bootyful and no one can say different

kookur - June 5, 2020, 11:52 pm

Before getting heavily on antidepressants and getting overweight, i was 9/10. Every 9/10 girl would check me out so yeah I'm attractive.

It's extremely subjective but there's also a lot of psychology involved in it. If you're more confidence people are likely to find you more attractive than you think you are. Of course if you have that "I'm average" mentality you probably won't be pulling in a lot of people if that's your goal.

Yeah I know it. But I am just objective to community here.

everyone on this forum is a 6ft 3' football playing jock that aces the SATs and has a 12inch cock and

slays all the females sir

Bacardi Cola Lime - June 6, 2020, 12:25 am

I think I'm average looking but I know how to talk attractively so it gives me a bonus. Sometimes I lack the confidence because I feel like I'm not looking at my 100% and it reflects back on me.

Driz - June 6, 2020, 12:40 am

Depends on the day to be honest! Sometime I feel like I'm really good looking other days I feel like I'm just a potato

Lindros - June 6, 2020, 12:42 am

I've done well with women in the past and currently have a great GF. I'd say i'm at the very least pretty decent!

Just type in google "AI face generator", there's a lot of it ;)

???????????? - June 6, 2020, 1:04 am

I look dope af. That's burned inside my head. Helps me with depression lul.

Exalted - June 6, 2020, 1:57 am

Not beautiful, not ugly, I'm 'ok.' At least that's what I like to believe.

hayesh - June 6, 2020, 5:52 am

In my humble opinion,im handsome af dude ??

Maskin - June 6, 2020, 5:55 am

Face: 9/10

Body: 6/10 need to work out more

I'm 178cm tall (or 5.83989501 feet) which is shorter than average for a grown man. Kinda holds me back I guess since girls generally want taller men.

Overall I'll give me a 7/10.

EDIT:

But as long as you act like you're a 10/10 you will get a few extra points.

Simplex - June 6, 2020, 6:02 am

I would say I'm pretty good looking though this quarantine thing sucks use to go to the gym 3 days a week now rip.

Velma - June 6, 2020, 6:04 am

If you don't have self belief and believe that you are not attractive you are living your entire life wrong.

shakur123 - June 6, 2020, 6:59 am

I think im good looking, not movie type good looking but more than the average guy.

01001 - June 6, 2020, 7:02 am

Generally, I don't participate in the lounge, but I'm pretty decent and look good. Nevertheless, it's all about how you present yourself, and confidence is one of the major boosters. If you got a good personality, people would find you attractive!

?nxy - June 6, 2020, 7:25 am

Everyone is beautiful in their own way!

How is 5.84 shorter than average for a grown man, where do you live?

I've always heard the average height for a male was 5'11". Maybe that's not the case? I do live in the US, though.

Deal - June 6, 2020, 7:44 am

I know I am attractive. I get a lot of attention IRL, and have a beautiful girlfriend.

"Average male height worldwide is usually measured in centimeters by doctors and scientists. The average American man stands just under 5 feet, 10 inches -- or about 5 feet, 9.3 inches to be precise. That's roughly 176 centimeters."

Seems like you are above average in US.

Yeah, I'm actually 6'2". There are a lot of shorter men, though. 5'9" sounds more correct to me as an avg than 5'11".

6'2" is definitely above average height. I am 6'0 and I see a lot of shorter people than me.

Oh yeah I seen it. Luckily many people are helping him. Guy is brave though.

DubIA - June 6, 2020, 8:08 am

I think I'm in the middle, but for guys, I don't think it really matters

mikezpro - June 6, 2020, 8:13 am

I'm in the middel but I'm confident in my looks, i know how to talk to women so that makes me attractive to most of them

Ivex - June 6, 2020, 8:37 am

Yeah. I'm not exactly Chris Hemsworth but I get far above average attention from the opposite sex.

Sweden

average man here is 181.5 cm (5 ft 11 1/2 in) acording to wiki

MightyOne - June 6, 2020, 8:47 am

Not to brag but yha, i am pretty beautiful. i didn't thought so when i was younger. probably around the time i joined the army i realised how much influence i have on girls, look-wise and speak-wise. then it just kept on happening and it was enough after awhile to realise that i am infact beautiful and should appericiate myself and the way i look!
Others should appericiate themselves regardless of their look by the way.

some-dude - June 6, 2020, 10:45 am

Not at all, there are things about my appearance I really hate! How I managed to find such an attractive partner is beyond me :'D

bluud - June 6, 2020, 11:36 pm

I don't think I'm 'attractive'. I have an attractive s/o though so who knows :)

B?????araka - June 6, 2020, 11:46 pm

I will say I'm lower than average lol. But hey I'm engaged and have a 8 month old so its possible! Even if we think we are ugly we are attracted to someone.

Sanchochi - June 7, 2020, 3:13 am

in face im pretty good looking
i have always been ashamed of my body tho bcs im skinny
i have been going to the gym for 9 months now
and i start to like myself more.

How much do you weigh and how tall are you, considering yourself as skinny?

Vibe - June 8, 2020, 6:29 pm

Yeah I believe I'm fairly attractive

roseflower69 - June 11, 2020, 4:05 am

I dont feel like i am attractive i am very ugly.

SIM-2315787 - June 11, 2020, 4:35 am

It depends on the day but most of the time I'd say somewhat in the middle.

?ystem - June 11, 2020, 4:40 am

I have no idea what really happened between childhood and adulthood to where I somehow became attractive but I guess I did. So, yeah, I'm attractive both physically and mentally. I'm not sickened by my reflection in the mirror anymore.

Good to hear that, mental health is important and not seeing yourself as 'the worst looking person' or being 'sickened by my reflection' is a good step. Same with people who dislike their voice.

MarvinMalware - June 11, 2020, 11:30 am

If you asked me I'd say no but my girlfriend is gorgeous so I must be doing something right.

Nate - June 11, 2020, 11:31 am

Yeah, and not tryna toot my own horn, but I def get complements from here and then
