Do you guys have any anime suggestions? that aren't too long

I've watched Naruto, DBZ, Attack on titan, assassination classroom, boku no hero and death note

Artisan - June 6, 2020, 11:53 am

Watch the first season of Dr. Stone, then go for Fire Force and finish with Trigun. Then thank me. ?

Soulmate~?? - June 6, 2020, 2:35 pm

The ones you listed are actually pretty long, if you're looking for something of around 12 episodes Mob Psycho is the best followed by Angel Beats, Devilman Crybaby, and maybe One Punch Man

honestly - vinland saga is captivating, you should try watch it based on ur experience with anime.

Beherit - June 6, 2020, 9:15 pm

Hi, I have movies and more anime for you! I'm curious as to what you mean by shorter anime; like 26 episodes or less (judging from the ones you listed).

I have rated all of these 9 or 10/10.

Movies:

Akira (movie)

Ghost in the Shell (1995 movie)

Spirited Away (movie)

Tokyo Godfathers (movie)

--

Here's some anime:

The Promised Neverland

Konosuba

Outlaw Star

Black Lagoon

Detroit Metal City

Eden of the East

Fate/Zero
Heaven's Memo Pad
Berserk (1997)

--

If you've run out of anime to watch, just reply on this thread and I'll hook it up.

One of the best anime to come out in 2019. 24 episodes and looking forward to the next season.

No problem. If you need more recommendations, just let me know.

Swedish Delight - June 7, 2020, 10:35 am

I like recommending Mirai Nikki, it's one of my favorites, it has a bit more than 12 episodes (26 ?) but the story is really good.

The entirety of Fate (Zero/Stay Night/Etc..) is also awesome

If you're looking for something really short. Tonari no Seki-kun has 10min episodes of pure comedy. and around 10 episodes i think.

Eiji - June 7, 2020, 11:20 am

For shorter animes I recommend:

Mob Psycho 100
Code Geass
Welcome to the NHK
Banana Fish

Samurai champloo takes top 10 in my list. That episode where they make the dog play baseball plus the ending of the show made it one of the best for me.

Hetalia is super short anime 5-6 minutes per episode :)

Lyrlei - July 1, 2020, 7:37 pm

The Monogatari series is a trip if you have time to watch them all.

Happeh - July 8, 2020, 8:20 pm

Cowboy Bebop.

The dubs better than the Japanese audio too.

mindshift5 - September 24, 2020, 4:39 pm

You could try golden kamuy or assassination classroom
