There is one thing I see that can fail your plan

"If you were able to commit ONE crime(...)"

So alright, robbing gold... One crime, you are clear here

But you can't sell this gold, as it is crime of selling stolen goods :D

Sanchochi - June 7, 2020, 8:24 am

I will steal Ferrari and sell it later.

Robbing a bank will require skills even if there is absolutely no one in the bank

(Jun 7, 2020 08:25 AM)crixus Wrote: [\[CITE\]](#) Counterfeiting, probably.

2 crimes here:

1. creating counterfeit - clear

2. using counterfeit - crime, jail

That's why having a good pizza for free is better according to thread question

Wire Trumps savings into my accounts?

Megatron - June 7, 2020, 10:44 am

I don't know, I'd probably rob a bank, especially if nobody gets hurt or if I get away easy. I can just imagine walking back to the vault and filling my bag full of cash knowing nobody can do anything about it.

Exalted - June 7, 2020, 11:28 am

Nice try FBI.

/s

I would probably just shoot someone for fun.

Vibe - June 7, 2020, 11:30 am

I'd probably rob fed reserve or something insanely wild

MightyOne - June 7, 2020, 11:34 am

I will steal SHIT TON of money!

like rob a major bank, get myself 50-100m USD and live my life to the fullest!

Swedish Delight - June 7, 2020, 11:35 am

I guess stealing money is the best way to go, steal enough to be a billionaire, money gives you power so then you can just do what you want haha.
