Don't we all. Playing on the slots could help you get more bytes...or not, that's up to your luck. Otherwise, try to post high quality replies and threads which automatically get bytes, and possibly even Quick Loves.

Check out the FAQ on bytes: <https://hackforums.net/misc.php?action=help&hid=43>

How about posting replies instead of creating useless threads.

You can earn way more bytes by creating high quality threads instead of this nonsense.

Idk men, a couple of hours ago was -3 and now is 4. So maybe omni start with the mafia loanshark methods on him to rush the pay process.

All jokes aside, how he managed to do the - bytes?? Anyone knows??
