And also i make music and could also join the team.

I'll take a vouch copy if still available

Review

Firstly I asked OP for a vouch copy and then myself turned it into making a deal with him by purchasing 5 songs and 1 song as free vouch! OP gave me a good deal for price and he delivered those songs within 30mins of payment. Song's qualities are outstanding and I just uploaded into my distributor site for approval! Will try to upload my thread after my songs are approved by the team!

Thanks

Hey man, I've been in the spotify field for some time now. I'm interested in the vouch copy and I would leave a detail vouch if you would have me.

Thank you,

R1cky - June 25, 2020, 1:28 am

Do you have a sample of a basic song?
I don't like tracks with vocals...

R1cky - June 27, 2020, 2:39 am

Bought 2 songs.
Fast delivery, quality is definitely okay, and both songs goth approved by my distributor in like 3-4 hours.
Will buy more here!

Can you do any sort of genre?

SantanDave - June 27, 2020, 9:16 am

What genre of tracks do you produce? Or have produced that have been accepted by distributors?

RIP Juice WRLD - June 27, 2020, 9:20 am

Yin Yang - June 30, 2020, 7:14 pm

I just sent you a PM on this service.

GreyAlchemist - September 18, 2020, 11:52 pm

Super interested in this. What would your price be for an entire composite album carrying the same tone and vibe throughout?

Essentially each song should appear to be made by the same artist.

Can you PM me about this?

SIM-2508228 - November 10, 2020, 8:39 am

Bulk prices for 5 or 10? Guaranteed acceptance on routenote and UM? Seen many sellers that guarantee for any distributor but in reality that's a lie

Hello your discord doesnt seem to work mjdaran#9343 where can i contact you

Stanley - January 28, 2021, 8:05 am

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
