Thread: [\[FREE\] UNLIMITED GOOGLE DRIVE FOR FREE](#)

SIM-1729678 - June 10, 2020, 5:29 am

Giving this away until I am tired of this. Post your email address down below or PM me your email and I will add you to a shared drive.

This is totally at your own risk, the drive is unlimited but I cannot guarantee the duration of it. ?

By "shared", does the owner know what I upload?

No. But like I said, I can't guarantee duration.

Curiosity question as I genuinely don't know; Does this work for Google Photos cloud storage as well?

Unsure. It makes a shared Google drive that has unlimited storage. I haven't used Photos cloud storage so I am unsure if you can link it to a shared drive.

I'd definitely be interested to know more about it if it turns out it does support Google Photos as well, as that's what I mainly would use it for rather than Drive.

I'm constantly surpassing my cloud storage limit, and it's very cheap but then I saw this thread so I figured I'd ask just in case you might've known.

Guys, I hope you're not sharing your current address, the one you are using, on a public forum. You just might get a lot of spam. It's better to send it through PM or use a address just for this kind of things.
