Been playing ironman for around 3 months now. First clue, got a team zero cape.
Still awhile off your ironman flex.

Nice iron man, keep up the grind!

Here is two pictures from my progress this past week, slowly but surely.

Some pics of good rng at bosses :)

my 2nd tassets from bandos were 28 kc so done some since. But I only have recent pics from RL since I forgot to keep them when I reinstalled pc :S

And the occults are from regular smoke devils :p
