Thread: [HUGE PACK OF RATs 100+ RATs](#)

waitdontb - June 12, 2020, 9:06 am

These Are No Ordinary RATs Each One Comes With Its Own Twist.

~~~

Choose One RAT or use them ALL! dont worry about HOW to use them. MOST come with GUIDES. for BEGINNERS.

Infected files ?

**itzcholobabyy** - July 1, 2020, 8:10 am

Dont download this pack! You are a bad user.

**Semmenial** - July 1, 2020, 11:36 pm

Be careful downloading free RAT's you guys!

You never really know whats in them.

**moref** - July 12, 2024, 4:56 pm

bad idea never know what could be inside

**globalroot** - July 13, 2024, 3:01 am

I have big doubts it contains some useful shit there.

**Samy882h** - July 19, 2024, 1:54 pm

Always Packs contains viruses probably , Use in Vm or sandboxie

**HackerWithGermanAccent** - February 16, 2025, 2:02 pm

Anon files is dead and so are these RATS.

**MadScientist** - September 9, 2025, 2:05 pm

Sure they're backdoored, whether by OP or other people.

**MeW11** - September 9, 2025, 5:58 pm

10000% backdoored
