From what I understood from the initial OP's post, for +1 rep you can enter only once. Because you're Leet (like I am) you can add only one repped.

rsx - June 27, 2020, 10:21 am

So, I know this apparently ended 2 days ago but I already gave you my quick love and +3 so i'll just enter my 4 entries anyways

Was a winner ever announced though?

He also said "post each day for an extra entry" so that adds with the initial entry plus popularity given. Am I right?

From what I understood, if you are giving +1 and give Quick Love, you can make two posts; in the case of Uber (+3 and Quick Love), you can post for 4 times... But maybe I'm wrong, not sure about it....

His posting privileges will be suspended for the next 15 ish days.

I would just cover it and assume he pays you back after he can contact you again. If you can contact him another way maybe you can do that.
