Thread: [IMPOSTER WARNING | Leroy Jethro Gibbs | NEVER CONDUCT OFFSITE TRANSACTIONS](#)

Leroy Jethro Gibbs - June 13, 2020, 11:10 am

I'm making this thread to warn everyone. I rarely get on Hackforums anymore. Still, I never do offsite deals. If you ever have someone contact you on discord using my name or image you need to request verification using HF.

My REAL Discord: Leroy Jethro Gibbs#2270 (My ID: 417545751212851202)

The Imposters Discord: Leroy Jethro Gibb?#2270 (Special Character S)

LET ME REPEAT. I NEVER WILL CONDUCT OFFSITE TRADES. I WILL ALWAYS USE A CONTRACT. NEVER TRUST ANYONE INCLUDING ME WITHOUT A CONTRACT BEING ACCEPTED.

Thank you. The guy that got scammed will post more information shortly.

Just follow site guidance and nobody will ever get scammed on discord here because they should NEVER be dealing on discord in the first place.

Could you post your discord ID next to your current Discord username?

Any user with a Discord account can enable the "developer mode", right click on the given profile and see the "discord id" number.

If someone wants to add you, or is added by seemingly your profile, they can right click on that profile, see their Discord ID, come on this thread and see if the ID is matching.
Just additional and foolproof step.
