Thread: [HF Contract Status Colors](#)

The Continental - June 14, 2020, 3:15 pm

Simple script to add colors to Hack Forums contract status.

<https://greasyfork.org/en/scripts/405336-hf-contract-color>

(Jun 15, 2020 11:08 AM)xadamxk Wrote: [\[CITE\]](#) Wow! ES6 map and spread use, me like.

A useful script that is simple. Good work!

Thanks! :D

I will publish more scripts if I find something that can be improved on hf!

(Jun 15, 2020 11:24 AM)xadamxk Wrote: [\[CITE\]](#) I have a private repository of project ideas relating to HF.

I can make a copy of it and make the script ideas public.

Add you or whoever is interested to the board so you can mark them as a WIP, if that interests you.

Sure bro, also lmk if you have any more ideas
