Thread: [SPOTIFY PREMIUM UPGRADE | 50+ COUNTRIES | AUTOMATED | RESELLER | WARRANTY](#)

boltenblu - June 17, 2020, 10:15 am

Hello :)

I'm launching my Spotify premium upgrade service on Hackforums after 1000+ completed orders on other platforms.

Price for 1 upgrade is \$2.99 BTC or PayPal (one off payment) and comes with 12 months warranty.

Reseller plans as low as \$2.00 per upgrade are available if you want to earn some easy side income.

Any questions, please let me know.

I will try to answer any questions here, but I am always available on Discord.

Warranty is for 12 months. Lifetime warranty is just a gimmick.

Hi! Maybe this is obvious, but after the payment, I have to give you my username of Spotify and then you Weill upgrade? I've already have a duo plan, is possible to keep it?

Thanks in advance!
