Hey, if you're looking for applicants soon;

I've made over \$375K off 3 websites within 7 months.

I'm a marketer & promoter for a celebrity (Instagram) receiving in between \$1k-\$25k per promotion.

I've also made 6 digits through my currency exchanges off-site.

**HERMES** - July 8, 2020, 12:28 am

Warmly welcomed into this group, I am so excited to announce I am now apart of this crew.

Nothing but love here, extended self-growth with the help of a extraordinary team - you can't ask for much more.

When you stop stealing money from people while faking your own payments on ebooks?

**Stanley** - January 20, 2021, 2:33 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small byte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,  
Stanley
