Darkhat is most likely same as blackhat, but dark doesn't always mean black, so possibly the same as greyhat.

Hi, is the method working properly? How much money to put in to see a return?

pimpim - September 20, 2020, 1:25 am

Autopilot paid method? So you have a pool of paid traffic that you can order to click the ads? If so, then this is really nice.
