Deal right now where if you buy the 4.2 oz bottle of polo cologne blue line you get 2 free duffel bags.

It should work with other blue lines but this is one that I know has the deal.

Np, I wouldn't say I like polo Cologne but could easily just flip the bags and cologne for profit.

I personally use RL Red, actually a really well-rounded aftershave. Good deal as well, thank you!

if you got to macys and buy literally any perfume, you can easily just ask them to throw in a bag and they will 90% of the time in my experience.
