Thread: [Which program is used to detect backdoor codes?](#)

faxxgrid - June 19, 2020, 2:45 pm

As title suggests which program can I use to detect backdoor codes?

faxxgrid - June 25, 2020, 8:35 am

Guys are there no preventive measures for door. How do I know a program has a backdoor

frank3nstien - June 25, 2020, 9:01 pm

Secura backdoor detector is quiet handy I recommend for this one.

Also Colasoft you can download trial version and use if you needed for one time.

faxxgrid - June 29, 2020, 3:31 pm

Thank you Frank3nstien! where can I download coalsoft?

Thank you mate you are the top man
