Thread: [looking for fud crypter/binder](#)

bobathefatfk1 - June 26, 2020, 11:50 am

looking for fud crypter/binder that can be used with free rat and can be purchased w paypal or cc also may need help setting up been out the game awhile and if anyone interested i dont mind payin a few bucks for help any recommendations for crypter/ free rat or should i buy rat and crypter? Thanks guys love you all

ps bought flow crypter over 2 days ago and no reply so please dont reccomend this

as a free rat I would suggest you async rat.
Its currently the best.

I couldn't bypass WD ..
could you tell me what's the best RAT for bypass WD in easy way ?

Wrong you do not need a crypters to bypass defender. Just learn how defender works. It's honestly the easiest one to control

pro_fesnoob - June 29, 2020, 6:52 pm

I can make u a custom crypter in .net or c++

i can crypt your server RAT AND you get about 15 encrypted files ,
bypass windows defener
bypass AV runtime detection

specific startup
unique RunPE
support native and .net

this method is private and you pay after you get encrypted files
if you want my service PM
